# To the Class of 2001,

Well guys, it's finally over. After spending four years together in high school, you can't say we haven't been through a lot. We've survived construction, said goodbye to our much-loved principal Mr. McLeod, and welcomed in our new principal, Dr. Girouard-McCann. We've seen old teachers go, and new ones come in. We've lost old friends, and made new ones, without ever forgetting who our best friends really are. We've laughed, cried, cheered, danced, and studied together. We've gotten to know each other. We've grown up.

Actually, we've spent our whole lives doing just that – growing up. We've been building our futures since before we even know what our futures *were*. When we were little, to build was to play with blocks. Now, with the education that we have received, we can begin to build something a little bit bigger. Our knowledge will be our foundations; the futures that we build will be spectacular.

This year's yearbook follows this theme of growing and building, all of which we've done *from the ground up*. This book contains our senior year, or at least most of it. While we know that it would have been utterly impossible to capture *everything*, we certainly got a lot. We hope that we've managed to capture enough of the stories, moments, events, people, and memories that made these years what they were. With over 300 pages, we're not sure what we *could* have missed!

So sit back and enjoy what lies within these pages. They haven't all been easy to produce, but we've had a great time putting them together for you. We couldn't have done it without your help, because you are the people who made these years what they were. And for that, we truly thank you.

We wish you the best of luck in your futures. May you always keep believing in yourselves, may you always keep building your futures, and may you always remember the good times we shared together as the Class of 2001.

Sincerely,  
The Yearbook Staff

## **Publisher's Note:**

This book is not a work of fiction. Names, characters, places, and incidents are neither the products of the authors' imaginations nor used fictitiously, and any resemblance to actual persons, living or dead, events, or locales is entirely intentional. That is unless what is stated is so obviously ridiculous that it must be fiction, wherein it is fiction. Thus, use your own judgement, and if something is offensive, then it is most definitely fiction.

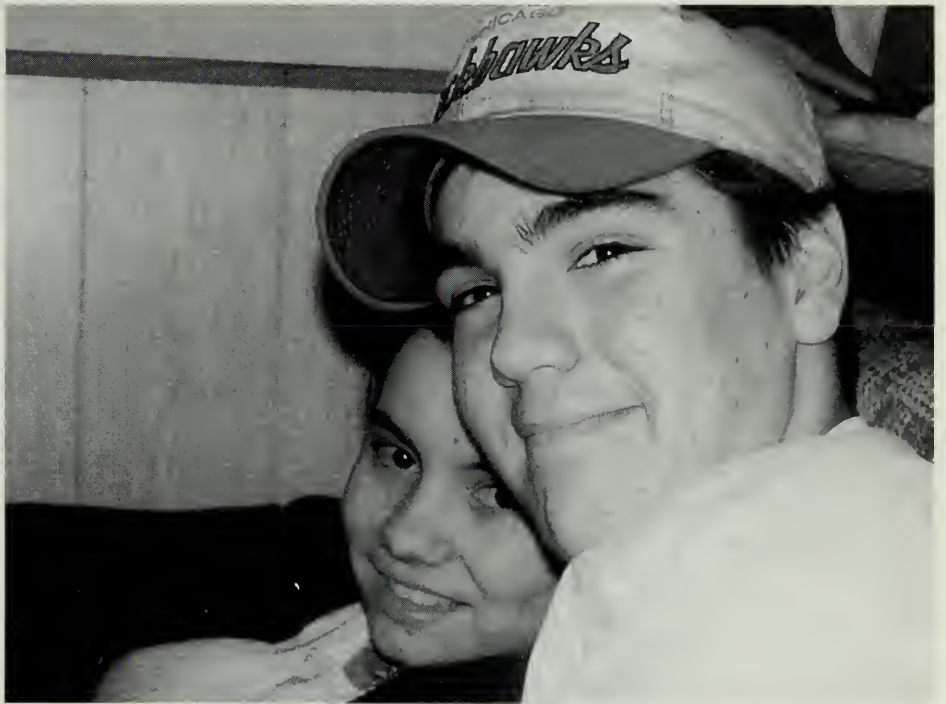

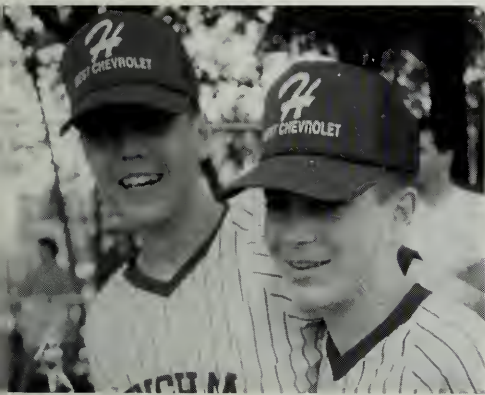

On October 10<sup>th</sup>, 1998, Hingham High School lost a great friend. As a sophomore, Marc Delgallo passed away at South Shore Hospital. Marc was a major part of our community, our school, and many lives.

We, the class of 2001, dedicate our yearbook to Marc Delgallo. With a commanding presence, Marc stood five feet, ten inches tall, weighed 160lbs, and had a little stubble on his face when he was only twelve years old. The athletic Marc would "crank out" home runs in little league and glide smoothly across the ice with his hockey team. The charming Marc was an eloquent and polite speaker. He was, no doubt, a great son, brother and uncle, from a wonderful family. Mr. and Mrs. D., Ariana, Bryan, Dave and little Christopher, thank you for shaping Marc into the person we loved. The very best friend you could want, he was always there when you needed him. With his special outlook on life, he could make a horrible situation look good. Marc had a certain twinkle in his eye. He simply knew how to live.

Marc, although you only lived to the age of sixteen, you had an extraordinary impact on many lives. We look back and remember how strong and courageous you were while you battled cancer for almost three years. We will remember the smile on your face and your great sense of humor that made it impossible to believe that you were actually sick. Your golden personality will never be forgotten. We'll look back on high school wondering where you went. The truth is, you left a part of yourself with us, and you will always be here. You are such a special person it's no wonder God must have needed you more somewhere else. We all give thanks to you for being a part of our lives.

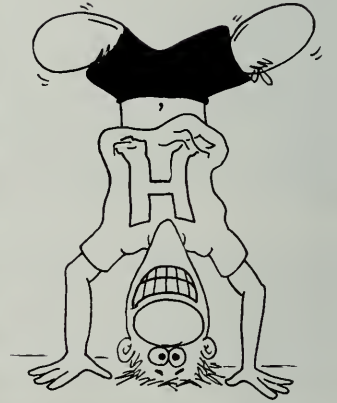

Dedication by Erik Olson

# Boys' Cross Country

**B**oys' Captain Zach Traina and junior Grant Pattison led the boys' cross country team to a 3-3 season. Comprising the rest of the varsity team were sophomores Steve Fiascone, Ben Cox, Adam Read-Brown, and Sean Hagan. Senior Felipe Cursino joined late in the season, but contributed both leadership and spirit to the team. The team's hard work was rewarded with immense improvement over the course of the season, as total net time for the varsity team dropped an average of 2 ½ minutes a week. Hingham's victory over archrival Randolph, winning a tiebreaker at World's End State Park, was particularly gratifying. The boys' team, losing only two seniors to graduation, is looking forward to strong seasons to come.

# Girls' Cross Country

The girls' cross-country team had an exceptional 2000 season. Led by captains Annie Melia and Caitlin Fitzmaurice, the team earned the title of League Champions. Training hard in Wompatuck State Park and other various locations, the girls easily ran their way to a 5:1 record. The endurance needed for their long-distance races, which were held at World's End, shone through especially during their standout meet against Scituate, where, in an exciting victory, they beat their archrivals by three points. The athletes had plenty of spirit, which showed in their pasta dinners and dress-up days. With the excellent coaching of Mr. Ryan and Mr. "Buzz" Buczynski, the cross-country team had an outstanding and really fun year.

With calzone dinners before EVERY game, singing "Galileo" on the bus, giving high fives in the hallway, the Battle Cry, and remembering to "Score Early, Score Often," the team was able to "Fight, score, win!" their way to a 9-7-2 record. This fall provided Ms. Gordon with her 300th win and an outstanding game against Hanover. # Football

The football team had a good 2000 season, showing marked improvement over previous years. Having graduated 16 seniors last year, the football team rallied to prove themselves on the field, beating last year's record with 3 wins and 7 losses, and also showing much more comradery and off-the-field friendship than any of the four previous years' teams. This year's seniors, including captains Carl Benbow, Dave Nickerson, and Jeff Ryan, as well as Chris Bell, Mike McDonough, Steve Skinner, and Chris Tomecek, led the way. Carl and Mike were both Patriot League All-Stars, and Carl became an All-Scholastic player. The football team remembers the "FMC" and Thursday dinners. All agree that this was a memorable season.

# Football Cheerleading

**L**ed by coach Ms. Smith, the football cheerleading team had a really fun and exciting year! During summer 2000, the team attended a competition at Emmanuel College and won the title of "Most Improved." This season the cheerleaders also visited the Reggie Lewis Track Center to take part in a dance contest. The girls proved to be good luck this year; the football team was victorious when cheerleaders gave them a Harborman mascot! Teammates remember riding the bus with all of the football equipment and the Dennis-Yarmouth game with only 7 cheerleaders in attendance. # Golf

The golf team had an outstanding 2000 season, going 14-0 to win the Patriot League title. The team, comprised of captains Will DeWaltoff and Taylor Lydon, as well as seniors Dave Henesy, Joe Pustizzi, and Ned Sullivan, also won the South Sectional Qualifying Tournament, going on to place 5th in the Division II State Tournament. Individual honors came in plentiful supply as well; Joe and Ned placed 1st and 3rd, respectively, at the Patriot All-League match. In addition, Joe won a 3rd place individual award at the state tournament, and was named an All-Scholastic athlete. These honors are a tribute not only to the skill of the golfers, but also to the experience of the coaches, assistant coach David Lacatell and head coach Jack Curran, who was named Boston Globe Coach of the Year.

# Boys' Soccer

▼ INCOMING!!

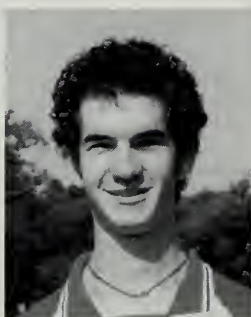

The boys' soccer team had an outstanding 2000 season. With strong scoring, led by captain Stuart Dykes, (29 season goals), the boys became the undefeated Patriot League champions. Ranked as high as 8th in the state, they had the most wins in one season in the school's history. All three of the team's captains, John Beauregard, Stuart Dykes, and Matt Gianferante, were selected as Patriot League All Stars. Stuart and Matt were also named as Eastern Massachusetts All Stars, and Stuart was chosen as an All Scholastic player. Under the excellent leadership of the seniors and coach Ken Carlin, the Varsity team finished a victorious season by reaching the quarterfinals of the Division II State tournament.

# Girls' soccer

Amy sets her team up to score. ▶

Girls' soccer had an excellent season in 2000. The girls went 12-4-2 this year, beating the record set by last year's team. Leading the way this year were the team's seniors, including captains Ali Aucoin, Fran Ferrante, Carrie Williams, and Amy Willis, as well as Meaghan Carey and Kristen Shaw. The outstanding example set by the seniors shone through as the team won the Patriot League Championship. In addition, Carrie and Ali became Eastern Massachusetts All-Stars. The girls' soccer team remembers "Mission 2000," and the Rockland night game. An enjoyable season was had by all its members, culminating in a ranking of 18th in the state of Massachusetts for the team.

# Boys' Basketball

The Boys' Basketball Team had a great 2001 season! With the leadership of Coach Clune and Captain Erik Olsson, the basketball team's hard work paid off, earning the team a solid record of 9-11. Other seniors on the team included Matt Gianferante, Bryan Kulp, Oba Lewis, and Manuel Mendes. This year's team members had relatively little varsity experience, which made for a slow start to the season. However, the team soon came together, winning 5 out of 6 games in the mid-season, and sending the league's top two teams into overtime. Junior Chris Hamm led the team's offense, while Oba Lewis, Nick DeVito, and Greg Sowyrda led the team in scoring for the season. The team fondly remembers the three-man weave, three-on-three defense drills, and the eleven-man fast break drill.

# Basketball Cheerleading

The Basketball Cheerleading Team had a fun season under the leadership of captains Crystal Spedden, Katie O'Keefe, and Jil Rocco. The team, coached by Ms. Smith, also included senior Melodye Spedden. The girls were often seen working on their routines in the afternoons, practicing four days each week. Their hard work was evident in their half-time performances and their support of the team during games. The girls also participated in the South Shore Competition this winter. Team members fondly recollect going out to eat at Beijing House and Chili's, Speddle, Giasmelly, falling from stunts, and of course Chuckie! The Girls' Basketball team had an outstanding season, attaining a record of 12-5. Captains Melanie Dobson and Lauren Sullivan did a great job of motivating the team, while the leadership of head coach Dave Hickey and assistant coach Mike Grable was instrumental in teaching the girls new plays and strategies. The season was highlighted by many victories and exciting games against Rockland, Duxbury, and Notre Dame Academy. The hard work of the underclass teammates contributed greatly to the team's many successes. Members of the team recall the pasta dinners, stations, dressing up to show team spirit, "Let it slide," three-point shooter, "Auto," Thanksgiving, hockey games, "bad ideas," and express thanks to Britt Lacey – "We love her!"

# Gymnastics

The HHS Gymnastics Team had an excellent season, boasting an overall record of 125. With the outstanding leadership of senior co-captain Liz Shorey and junior co-captain Meg Peterson, members of the team learned some spectacular new routines which earned them great scores against rival teams Hanover, Carver, Cohasset, Norwell, and Randolph. These included their highest score of 126.2, against Randolph. The team, led by coach Patricia Anderson, attracted a large number of underclassmen recruits this year. Team members Meg Peterson and Bronwyn Riggs went on to compete at the State Individual Meet. This year's departing members have inspired the future gymnasts to achieve new heights.

# Hockey

What a fantastic season it was for the Hockey team, which finished the year with a record of 18-6-2. Coached by Garrett Reagan, with captains Mike Cavanaugh, Anthony Forgione, and junior Kevin Olson, the team included seniors Steve Ayers, Joe Bellew, and Chris MacBean. After an outstanding regular season, which they finished with a record of 13-6-2, the Hockey team played in the annual Falmouth Tournament. The team finished second in the tournament, assuring them a seat in the playoffs. After defeating Norwood (3-0), and Weymouth (5-0), the team faced off against St. John's of Shrewsbury at the Fleet Center. Their 5-4 victory in that final game earned them the title of Division I State Champions, a title never before earned by the Hingham Hockey team.

The hockey cheerleaders had a great year! Under the leadership of captain Kristen Wanberg and coach Karen DelGallo, the girls succeeded in keeping up the hockey team's spirit. During the season the team, which included senior Jamie Boutilier, practiced three times a week in order to perfect their routines, including "Dynamite," "The Hingham Sensation," and "Let's Meet the Lineup." While historically the team members would only cheer at home games, this year with the Hockey team's amazing success, the cheerleaders attended all of the tournament games. Teammates especially enjoyed cheering at the State Championship game held at the Fleet Center where, thanks in part to the efforts of the cheerleaders, the Hockey Team was victorious!

# Skiing

The 2001 winter season went well for the ski team. The team had 9 races total, divided between Blue Hills and Ragged Mt. Under the direction of coach Ken Corbett, the team was conditioned and led by the example of captains Tim Corbett, Liz Matthews, and Katie Wellford. The three captains were assisted by the team's other seniors, Ben Kahane and Brette Wilson. The dedicated ski team even practiced when weather was beautiful (i.e., not snowy) by holding "dry run" practices. The boys' team ended the season in second place, with a record of 6 second place finishes and 3 third place finishes. They were second only to B.C. High. The Girls' team finished a close second to Notre Dame Academy with a record of 3 first place finishes and 6 second place finishes. Overall, each team had an outstanding season.

# Boys' Winter Track

With the leadership of captains Sven Pashchenko and Zach Traina, the Boys' Winter Track team ran their way to a 4-3 record this season. The team, which was coached by Mr. Herrmann, also included seniors Jeff Ryan and Felipe Cursino. The Boys' Track Team was known for its "renegade runners," Burger King runs after meets, swimming at World's End, and their infamous flaming baton. Members of the team fondly recall "muchachos," the thing, Stoker-Long for captain in 2003, and the Haggerty Burger King disputes. The Girls' Winter Track team had an excellent season, boasting six wins and only one loss, to their archrival, Scituate. Led by captains Annie Melia and Caitlin Fitzmaurice, the Winter Track team included seniors Tracy Duff, Kristen Kehoe, Rebecca Lanza, and Nancy White. The team, coached by Mr. Manganello (affectionately referred to as "Mags" and "Manga" by the team members) fondly remembers the pasta dinners, singing and dancing along with the music on the bus on the way to meets, synchronized wall drills for the hurdlers, psych buddies, and dressing up for "Hawaiian Day" in order to show team spirit. # Wrestling

▼ Carl flattens the Duxbury wrestler.

The Hingham High Wrestling team enjoyed a great season, coached by Mr. Durham, and led by captains Carl Benbow, Mark Shainwald, Steve Shainwald, and Jeff Woods, and senior Joe Pustizzi. During the regular season, the team worked its way to an 11-9 record, and performed well at both the Duxbury and Weymouth tournaments. Carl also enjoyed success in the post-season, earning the title of 2nd in the state in the 171 lb. weight class. Members of the Wrestling team remember mat drill spinning, Simpsons' trivia, the calf stretch, UCLAs, slap back, joke-telling time in the locker room, colossal burgers, and Manager Bulman. # Activities

# AFS

Members of Hingham's AFS club make a big splash in North Carolina.

The American Field Service (AFS) is one of the largest organizations at HHS. AFS welcomes exchange students to Hingham and promotes cultural diversity. Each year, AFS members participate in a domestic exchange to a city in the United States. In 2000, the club visited Wisconsin, which included a memorable tour of a toilet factory. This year, Ohio was the destination for the seniors' final exchange. AFS has two major fundraisers to defray the cost of the domestic exchange: the calendar sale and the Dance-a-thon. Club activities include BBQ's, monthly meetings, and a volunteer leaf rake in the fall. Led by president Abby Randall, vice-president Anna Elliot, and treasurer Tyler Nims, AFS enjoyed a wonderful and successful year.

# ADL

Since its development in 1999, the Anti-Defamation League Student Facilitation Program has had an incredible impact on school climate at Hingham High. Supervised by Mr. Jewett and Ms. Krall, ADL members were trained to conduct activities and facilitate discussions about prejudice and discrimination found in the school, the community, and the world. In addition to facilitating the students of HHS, members of ADL have also led workshops at other schools. Additionally, the Hingham ADL Program was honored at Team Harmony VII, held at the Fleet Center in Boston. The facilitators received the ADL Founders Award in recognition of their work. In the future, the program looks to continue building an environment conducive to both the academic and social growth of HHS students.

# AVID/ Film Club

**A**VID, an acronym for the Audio/*VID*eo Club, is comprised of students who enjoy working with video and sound to create multimedia shows and presentations. Much of the club's work can be seen in the Friday morning show during homeroom, the successor to the daily morning notices. Seniors on AVID include Tyler Eusden, Steve Feeley, Mike Grady, Rich Hawke, Dave Hurley, Pete MacIntyre, Jeremiah Mullane, and Paul Villanova.

The Film Club is a recently-started organization dedicated to the appreciation of our society's greatest cinematic achievements. The club meets every so often to view classic films. Its core membership is made up of AVID members, although attendance by any movie fan is always encouraged.

# Band

Under the direction of Mr. Wauchope, the members of the band have experienced tremendous growth over the past years. The Concert Band, the largest of the groups, has performed in many concerts both at the high school and in competitions around the country. The Jazz Band, a smaller group comprised of musicians with special interest in Jazz and Blues, rehearses on Tuesday evenings. The annual Jazz Band concert is always a hit with students and community members alike. The Mozart Ensemble, a group focused on classical pieces, has developed greatly since its inception two years ago. With the solid musical background that the students have gained, they will likely continue making music for years to come.

# Band & Orchestra Trips

Every year, band and orchestra students take a weekend out of their busy schedules to take part in a competition in North America. The trip is partially funded by the yearly fruit sale, in which students eagerly participate. In 1998 the band and orchestra took a trip to Atlanta; in 1999 it was to Montreal. Last year, they traveled to New York City, where both groups won gold and silver medals for excellent performances. While in the Big Apple, they found the time to tour 5<sup>th</sup> Avenue, see "Stomp," and even eat at a Medieval Restaurant. This year, the band and orchestra visited Williamsburg, VA, where they played in the Fiesta-Val competition. Aside from performing, they also visited Busch Gardens and took a ghost tour of Colonial Williamsburg. The graduating seniors will be sorely missed.

# Biology Club

The Biology Club at Hingham High School concerns itself with learning about and protecting the environment. Although traditionally a greenhouse club, this year club members moved to more outside, nature-trail related activities and, as one of the Biology Club's major endeavors, worked on creating a website. President Casey Fredette oversaw the other major project that took place this year – the production of a computer CD featuring digital photos and video of the three nature trails located behind the elementary schools. This CD focuses on the seasonal changes of the nature trails. Meetings were held in the biology classrooms, and students showed up every day to feed the living bacterial cultures. The Biology Club had a great year, and will miss the graduating seniors.

# Chorus

**H**ingham High School's Mixed Chorus had a very busy year. Officers of the group included Lisa Trebino, President; Meredith Kernan, Vice President; Steve Feeley, Treasurer; and Catherine Howlett, Secretary. The Chorus performed a multitude of concerts this year, covering a range of choral music. Choral Spectrum, a division of the Mixed Chorus, included 18 singers and also performed many concerts this year, often in conjunction with the Chamber Players. In addition, the Chorus participated in the fruit sale with the Band and the Orchestra in order to raise money for their trip to Vienna and Prague. # Chorus Trips

Each spring, the high school's mixed chorus ventures away from Hingham to visit and perform in other parts of the country and world. In 1999, the chorus visited Disney World. Last year the chorus visited Montreal and Quebec, and while there gave a concert at the Ste. Anne de Beaupre Cathedral. This year, the chorus traveled to Europe, touring Vienna and Prague. Highlights included sightseeing in both locations, most notably the Hofburg (an imperial palace) and the Hoker Markt in Vienna, as well as Wenceslas Square in Prague. On Easter Sunday, the chorus performed at a local Viennese church as well as at the Klosterneuburg Abbaye. Everyone had a great time and the experience is one that none of the participants will soon forget.

# Community Service

Every year, seniors taking history courses are required, as a part of the course program, to complete fifteen hours of community service. The hope is that students will have meaningful learning experiences, be able to give back to the community, build responsibility and good citizenship, and develop a sense of compassion and understanding for others. This year, students have been involved in various community service projects including running many "drives" to collect food, clothing, and dry goods. In addition, students oversaw the purchasing, wrapping, and delivering of holiday gifts for underprivileged children and spent hours sorting and packing food at the local Interfaith Food Pantry. The time and effort put in by these students was much appreciated by the community.

# Dance Team

Although the Dance team only started two short years ago, it has amassed quite a following since then. Coached by Ms. Krall, the team boasts only one senior: Lauren Sullivan. Dance team members, led by captains Jen Harris, Liz Murphy, and Ashley Schomer, spent this season learning and practicing brand-new dances, meeting regularly after school each week in order to work on and perfect their routines. The dancers learned some great new moves this year which they energetically displayed for the rest of Hingham High's students at one of the monthly school assemblies. Dance team continues to be a great group where students who love to dance can share their skills and learn some new routines as well.

# Debate Team

The Debate Team had a fun year learning about, and of course debating, interesting, controversial issues. The team, led by Kristen Thane, remained small this year, though it did attract some new members. The Debate Team followed the Lincoln-Douglas style of debate again this year, discussing issues with complex moral and ethical aspects. Members of the club invested a great deal of time researching topics and then writing speeches that supported both sides of the issues. Members then argued their opinions, the winners being whoever could most clearly and logically explain their points. In addition to these more serious debates, the club also held on-the-spot, informal debates for practice and amusement. Everyone's hard work and effort made it a great year for Debate!

## Damn Yankees

The Drama Club's fall musical, "Damn Yankees," turned out to be a true hit! Directed by Mr. Higgins, the show focused on America's favorite seasonal pastime: baseball. In the musical, avid fan Joe Boyd (John Beauregard) makes a deal with the *devilish* Miss Applegate (Margo Littlefield) to become the young baseball hotshot "Shoeless Joe from Hannibal, MO" (Sean Chisholm). Despite Lola's (Caitlin Marshall) seductive distractions, Joe leads the Washington Senators to victory, outwits the Devil, and in the end chooses family over fame. Overall, the cast's outstanding acting made for an amusing and enjoyable show. "Damn Yankees" was a great theater experience for both audience and actors alike.

# Drama Crew

“Damn Yankees” was a great success thanks to the talents of the backstage, light, makeup, and sound crews. Backstage crew, headed by Lorenzo Di Silvio and Katie Wellford, included Lindsey Blampied, Kevin Garrity, Bill Jantzen, Jenn Morash, Meredythe Ryan, Kristen Thane, Zach Traina, and James Zuger. Scene changes were better than ever because this year the sets were flown. Rich Hawke and Tyler Eusden headed light crew, and despite light board difficulties, Stella and Harold shone through and the show was brilliant. Caitlin Fitzmaurice and Meredith Kernan participated in the makeup crew, and sound was chaired by junior Charlie Hancock. All in all, the crews did a great job and the show was a success! Remember — “Tech owns you!”

# French Club

The French Club is an organization run by Madame Flaherty, providing a chance for students to practice French and learn about French culture through singing, watching French movies, conversing in French, taking trips to the MFA to view French exhibits, visiting French restaurants, and cooking French cuisine. Senior members include Carolyn Daly, Liz Kelly, Rebecca Lanza, Margo Littlefield, Caitlin Marshall, Jenn Morash, Abby Randall, Julia Randall, Meredythe Ryan, Kristen Thane, and Katrina Vulgaris. # GSA

Hingham's GSA shows up in full force at the 2000 Gay Pride March in Boston.

The Gay Straight Alliance has gained a position among the most respected clubs at Hingham High over the past few years. With the dedication of its members, the organization has grown immensely. During the year, the members attend meetings where they discuss current issues pertaining to gay, lesbian, bisexual, and transgender communities. They enjoy meeting with guest speakers, many of whom are able to share personal experiences. The members also participate in the annual Gay / Straight Youth Pride March in Boston. Much preparation goes into this event. They carry signs in the parade, dress to show their support, and join forces with other activists. Through the endeavors of the GSA, the acceptance level in the school has increased.

# Golden Key Club

**G**olden Key, in its second year, has gained widespread recognition throughout the student body. The organization is headed by President George Tully, Vice President Laura Settino, Secretary Ben Hardy, Treasurer Erik Olsson, and Tyler Nims, the Little Boots. Each day, the members of Golden Key are responsible for collecting the trash from lunch. During all three lunches they can be found in the cafeteria, where they frequently build Eiffel Towers out of collected trash. When not busy collecting rubbish, they pride themselves on providing entertainment to those in the lunchroom; Tyler and Erik enjoy daily trashcan races down the main aisle. Thanks to the hard work of Golden Key, the cafeteria is a cleaner place, and the freshmen are always kept in line.

# Harborlight

The Harborlight, the student-produced school newspaper, provides the student body with a look at what's happening around the school. Distributed every two months, the paper covers everything from dances to sports to changes in school policies. The editorial section provides an opportunity for students not on the staff to express their opinions. With reviews of movies, music, and restaurants, the students are always kept up to date on the latest news in entertainment. Dear Leila, the Harborlight's advice column, answers students' questions and helps them solve difficult dilemmas. Tracy Duff, the editor, commands a large staff of writers, photographers, and section editors. With the assistance of advisor Mrs. Fennelly, the paper keeps the student body well informed.

# Improv Troupe

**M**odeled after the TV show "Whose Line is it, Anyway?" the Improv Troupe was started in 1999 by the co-presidents of the Drama Club and has taken its place among other drama events such as the Fall Musical and the Festival Show. Meeting for two hours every Wednesday night, the Improv Troupe prepared for its annual student-coordinated improvisational comedy show that required audience participation. In the show, actors played different games and spontaneously created scenes using the audience's suggestions. Games varied from "Party Quirks" to "Torture the Actor" to "Props" to "Hurley's Chair-Throwing Game." As always, the antics of this year's Improv Troupe were thoroughly enjoyable and a good time was had by all.

# Intergenerational Club

The Intergenerational Club, one of the only service organizations in the country of its type, has gained townwide recognition for its unique approach to community service. The club is dedicated to pairing high school students and members of the senior community together to work on community-oriented projects. This year, HHS students participated in a fall conference where they discussed many current issues, including politics, violence, heroes, and the media, with seniors and planned joint-effort community service projects to be completed throughout the year. The club organized a coat drive to benefit the homeless, enjoying a potluck supper the while packing up the donated coats. In addition, club members and seniors participated in a reading program for elementary students.

# Latin Club

Under the direction of advisors Dr. Ryan and Ms. Chodes, the Latin Club had a great year! Led by "consuls" Nicole Shostak and Surekha Gajria, the club included seniors Lindsey Blampied and Kristen Thane. Latin Club meetings featured many interesting and fun activities, such as watching classical monster movies on Halloween, the famous Saturnalia Holiday Gift Swap which celebrated the Roman "Holiday of Lights," and making Valentines in preparation for V-Day. One of the year's main goals was the design of an "official" Latin Club tee-shirt. During the spring, many members of the club participated in the Massachusetts Junior Classical League competition against other high school students. The Latin Club members say, "Matavittau! # Math Team

**H**ingham High School's Math team, advised by Mr. Baisden and led by captains Amy Driscoll, Colleen Nilan, and Victoria Riley, is comprised of HHS students who are actively interested in mathematics. The team, which also includes seniors Casey Campbell, Kevin Garrity, Katrina Vulgaris, and Chi Zhang, often travels to other schools to compete while occasionally holding some of the meets here at Hingham High School. There, members of the Math team work to complete problems in several different areas of mathematics with varying levels of difficulty. Although the Math team has never won a meet (they are often beaten out by their archrival, Weymouth) they have great team spirit and enthusiasm that keep them going strong.

# Model UN

The International Relations club will miss its founding fathers, Pete Brancale, Scott Conroy, Tyler Nims, Seth Purcell and Ben Kahane. For the last two years the club has participated in the Harvard Model United Nations, representing the important world powers of Benin and Suriname. As delegates, the members debated issues on separate committees and worked to form resolutions with "the kids that were really into it." Mr. Kirkcaldy, the group's advisor, has done an excellent job of advising the members over the past years. The Model UN members will always remember the lap tops, power lunches, and impassioned caucuses. They will also remember hanging out at the parking garage, splitting the defense, Kirk embarrassing Tyler, "beatin' up the smaht kids at Hahvahd," goat cheese pizza, and Mexico.

# National Honor Society

The officers hold the light of knowledge in their hands. ▼

**O**n November 27, 2000, thirty-six new members were inducted into the National Honor Society. Dedicated to service and learning, the NHS sponsors many fundraising projects throughout the school year. At the induction ceremony, NHS adviser Ms. Perelman explained the selection process, and President Lorenzo Di Silvio, Vice President John Beauregard, Secretary Jenn Morash, and Treasurer Abby Randall spoke on the NHS ideals. Guest speaker Mr. Higgins captivated the audience, and Superintendent Dr. Baker was awarded an honorary membership to the NHS's Hingham chapter. This year's inductees will ensure that the candle of knowledge will continue burning brightly in the years to come.

# Oceanography

The Oceanography Club, headed by Skipper Dave Nickerson and advised by Mr. Crowley, has made a big splash at Hingham High this year. With a record number of senior members, including Matt Holmes, Taylor Lydon, Victoria Riley, and Liz Shorey, the Oceanography Club has a widespread influence over the schools in Hingham. Members of the club are responsible for maintaining the aquariums at the local elementary and middle schools, as well as those at the high school. The students periodically visit elementary school classes, sparking an interest in the wide wet world below by making fish prints and talking about sea creatures. The continuing efforts of the oceans crew with younger students ensure that a steady course is charted for the future.

# Orchestra

Many years of Orchestra memories will end this year for the seniors. Fondly known as "Dorch," the string orchestra performs five times a year, including two winter concerts, an all-town concert, a spring concert, and a competition on the annual trip. Along with joining the band for the trip, wind and brass players join the orchestra to create the full orchestra. Chamber orchestra, a select group of string players, learns additional music outside of class and hosts a student-run pops concert in the spring. This year, Chamber combined with the chorus for the Major Works performance of Schubert's *Mass in G*. Under the leadership of Mrs. Hallett, the orchestra has learned an amazing repertoire. "Dorch" will be fondly remembered, as much for the friendships as for the music.

# Outer Limits

Every year, the best stories, poetry, nonfiction, art, and photography produced by Hingham High School students are gathered together in HHS's literary magazine, the Outer Limits. This year proved no different as the Outer Limits staff produced yet another excellent edition of their magazine. Staff members collected student submissions from English classes until the spring, when the editing work began. Under the guidance of Mrs. Fennelley and the editor-in-chief, Nicole Buccitelli, staff members (including seniors Jamie O'Neill and Kristen Thane) sorted through, selected, and edited the pieces that went into this year's volume. Represented in the magazine were a wide variety of styles, subjects, and art-forms which students found both interesting and enjoyable.

# Peer Group

**P**eer Group, run by Mrs. Gustafson and Mr. Nevader, provides a chance for the educated youth of HHS to spread their knowledge of drugs, alcohol, smoking, bullies and other pressures to fifth and eighth grade students. Peer Group creates a comfortable environment with open discussions and fun activities. Peer Group remembers Espousal, a workshop about public speaking and drug use. The workshop gave members a chance to get to know one another better. It was a fun weekend highlighted by Brie's performance of the "Baby Shark" song. # Sailing Team

**L**ed by captains Lindsey Blampied and Nancy White, the Hingham High Sailing Team proved to be a strong force in the Mass Bay League. Another successful season for the eight seniors, 2000 included winning the Sail-Off Championship, a second place finish in the league, and a fifth at the statewide regatta. While in Boston for most team racing events, the sailors also ventured outside their home on the Charles River to compete at other venues, including Connecticut, Rhode Island, Washington, and Canada. Although there have been many changes over the past years, from the good old days with Mr. Knowlton to the recent times with new coach Ken Corbett, some things have always remained the same. The Senior Class has done a great job raising money and conducting fun activities this year. The officers of the Senior Class were Erin Ciovacco, President; Matt Gianferante, Vice President; Meredith Kernan, Secretary; and Lorelei Schmitt, Treasurer. This year, the Senior Class officers oversaw the running of the High School dances, including Homecoming, Snowball, and Senior Prom, organized and produced the Senior float at Homecoming, and conducted a yard sale. These fundraisers help to defray costs which come up, a major one of which is the Senior Prom. Thanks to the tireless efforts of the Senior Class officers, the class of 2001 had a senior year that they will never forget!

# Senior Video

The Senior Video team worked hard all year long, gathering bits and pieces of our Hingham High School memories. They did their best to capture what our life was like, from elementary school to senior year. Club members taped the seniors literally everywhere: in the hallways, at Hingham High's many dances, during lunchtime, even taking some footage of everyday classes. Wherever students went, the Senior Video crew was right there, cheerfully recording their every move for posterity. The late-night editing sessions and blood, sweat, and tears that went into Senior Video 2001 was well worth the effort. They were able to squeeze our entire school existence on to one tape — now that's talent! Thanks to Senior Video—for preserving our memories.

# Spanish Club

The Spanish Club's goal is to bring an awareness of Hispanic culture to the halls of Hingham High. Led by co-presidents Amy Howard and Kelley Walker, Spanish Club members are often seen with teacher advisor Mr. Mulry chatting in Spanish. The 2000 Spain trip was an experience none of the participants will forget for the rest of their lives. From Madrid to Salamanca, the Spanish Club represented HHS favorably. Highlights included the classes, the flamenco dancers, "salida de emergencia," the Plaza Mayor, the food, and Kelley braving a bull. # Student Council

**S**tudent Council's very busy year started early, with summer meetings and Freshman Orientation the day before school started. Student Council kicked off Homecoming weekend with a pep rally, and sold their popular sweatpants. This year Hingham's Student Council became a five star council in the M.A.S.C.. The club has been very involved in community service, volunteering at Christmas in the City, the Walk for Hospice, and Christmas caroling at a nursing home. The Student Council, including president Caitlin Fitzmaurice, vice president Becky Woelfel, secretary Rachel Szyman, and treasurer Catherine Howlett, made school more fun with dress-up days, banners, decorations, and spirit week. # SEA

**S**tudents for Environmental Action (SEA) is a relatively new club that meets every Thursday afternoon. There, members, including Lorelei Schmitt (president), Christine Smaldone (vice president), Ben Hardy (treasurer), and seniors Matt Gianferante, and Matt Haeni, sort through the cans and bottles from the cafeteria, often with bees trying to "help" them. Once the recyclables have been sorted, they are donated to school organizations, including the Yearbook. Some of the additional money that is collected goes into the SEA treasury. With this money, SEA plans to help rebuild a bridge in Wompatuck State Park. SEA also attends coastline sweeps and has started recycling paper at the high school. # Traces

The Traces program, run by Dr. Pawlowski, is primarily a vocational training program for HHS students who are looking for experience in the woodworking and metalworking disciplines. These students spend weekday afternoons in the Traces building, dividing their time between designing projects in the classroom and executing their designs in the workshop. The members of Traces have completed numerous projects for the community, as well as for the high school. Seniors in the program include Foremen Jason Crombie and Jeff Woods, as well as James Levine, Ryan Murray, Matt Sheehan, Dan Tower, Ryan Williamson, and Paul Wuori. # WHHS-TV

One of the most visible clubs at Hingham High, WHHS-TV produces the show that is broadcast each morning to every homeroom, announcing the events of the day. Members can be found every afternoon in the TV studio, located in the Library Media Center, taping the notices that will be aired the next morning. The leaders of the group, Rich Hawke and Tyler Eusden, under the direction of Mr. Thaxter, ensure that everything always runs smoothly. Among the 30 students who are involved in this group are seniors Steve Feeley, Mike Grady, Dave Hurley, Pete McIntyre, Jeremiah Mullane, and Paul Villanova. *Rachel Szyman*

The gratitude that I feel toward my family and friends is unending. To my mother, Patricia Szyman, without your love and endless care, I could never have made it this far. Elizabeth, your hugs mean so much to me! Dad, Karen, Christy, Adam, Jessica, and Sam, thank you for your love. To my friends, thank you for your support through laughs and tears, no matter what, you were always there for me. To H.H.S., teachers, faculty, and peers, thank you for these wonderful life changing years.

*Kristen Thane*

Thanks to my family for all the love and support they have given me, and my teachers for their inspiration and insight. Sammy, TGBGITS lives on! Thanks for the laughs. Thanks also to: Lindsey (and Mabel) for the adventures, and absolutely destroying what I used to call "free time;" Rebecca for movie nights; Tracy for the nicknames; Lorenzo for the math parties and the new author; Tina for being my partner in crime; AL for having a good time; PT for the closing quotation and suggestions of good literature; and all my other friends (I fear that if I put down initials, I'll forget somebody . . . and theoretically you all know who you are) simply for being there. I'll miss you all.

*Mary Therrien*

I want to thank my mom, dad, Liz, and Nana for the years they gave me hope for my future. I will miss you all when I leave the nest hoping to find my place in Life. You taught me how to be successful and how to fly solo. You have given me strength

along the rough roads I took trying to achieve my goals. You have been there for me Always! I want to thank you and say I love you all! Love Mary Therrien.

*Chris Tomecek*

Thanks Mom, Dad, and Gram for your support and help. Thanks to all my friends for the memories. And thanks to Sarah for being the best friend I could have.

*Lisa Trebino*

Mom and Dad – thank you for making my years in Hingham so special and for always having faith in me. You are the best parents in the world! Diana – thanks for being a great friend. And to all my teachers – thank you for preparing me well for the future. Finally, a special thanks to all my friends who made high school so much fun: SN, SM, NW, BO, RL, JR, MK, LK, EC, KW, KT, SW, KM, JM, and the rest of Hingham High School's class of 2001.

*Zach Traina*

Thank you ring! The only way to retain my sanity through thick and thin. Jamie, John, Julia, Jenn, Linds, Sean, Caitlin, Kim, Kevin, Bill, Lorenzo, Felipe...and of course KATIE! Also – to the wonderful people at PRS, Mr. Maffie, especially, who never had any doubt in me ...

*Louis Vaickus*

Thank you Mom, Dad, friends, and the Capt. Your stern and watchful eye helped us through the night and your sacrifice may have saved us all.

*Paul Villanova*

I would like to thank the man who embodies everything that I feel represents our generation, my hero and personal inspiration, Bill Murray. Let's just pretend he never made *Operation Dumbo Drop*.

*Katrina Vulgaris*

First of all, in my long list of due thank yous, I would like to thank my family. Your love and support has meant a lot to me these last four years. I would also like to thank my friends for the fun times and unforgettable memories. To TV and GM, thanks for understanding and for putting up with me. To anyone else I may have forgotten, don't worry, I didn't *truly* forget about you!

*Kelley Walker*

I want to give thanks to my parents, my sister, and the rest of my family. I also want to thank all the others who made my high school experience bearable and memorable. Amy, what would I do without you? Too many inside jokes. KK, Nancy, Lisa, Maria, Brian, Mary, AVH, the Field Hockey team, and all those who've already graduated and gone on to better things. I love all you guys. I'll never forget you. Mrs. Kirby, Mrs. Delano, and Mrs. Clinton, I owe so much to you. Anybody would be blessed to know any of these people. And lastly, the Red sox, who have inspired and crushed me, but I love them anyway. For everyone else I take a quote from Queen Elizabeth I, "We must be very brave to meet the future, for we have little idea where our explorations might bring us". Good Luck everyone!! Kelley

## The Family Castle

Our castle stands atop the hills  
And has offered strength of spirit  
You have placed your hand little one unto ours  
This has led you to your Graduation Day!

The family castle is your home  
The stones have grown stronger because of you  
For the castle's built on love and hope  
You will never be alone.

Behind these walls that rise up high  
Lies a garden lush and green  
Its offerings bountiful as the sea  
And beauty yet unseen.

You have drank the waters that beckon you near  
They have filled your heart with hope  
Feast on the knowledge that you have learned here  
For that will help you cope.

Our fires have filled your soul with warmth  
To cast off the chill outside  
Yet stay not here within these walls  
They were not built to hide  
Swing wide the gates so you can see  
The world lie at your feet  
For without what lies beyond  
The castle's incomplete.

Mount our stallion strong and true  
For he shall be your guide  
His legs have carried those of us  
Who've ventured far outside  
Fear not what you do not yet know  
Lead on and find your star  
Fill your pack with experience  
That you shall gain afar.

The good times will outnumber bad  
Though sometimes you shall fall  
It's at that time that you should seek  
The strength of the castle wall.

For no matter the path you choose to take  
No matter the strength of tides  
You need only look inside your heart  
For that's where the castle resides.

Congratulations Adam!!  
God bless you, and grant you  
many years of health and  
happiness!

### **Arrow**

There came a time when the world began to be viewed not only as an opponent or a toy.

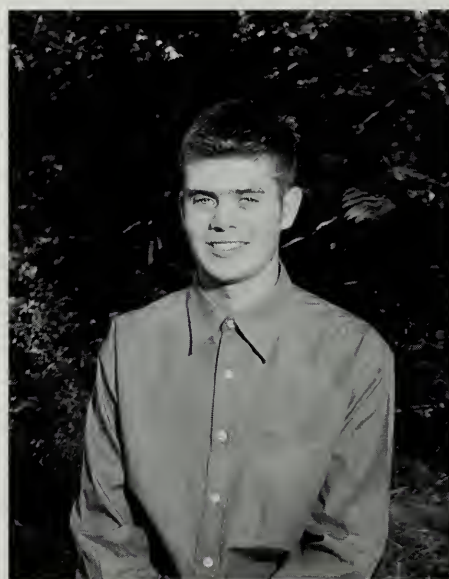

The realization that each thing, happening, and person has a wherefore and a why warmed him like the summer sun. Fragile feelings were appreciated and nurtured, in him and in others. He loved. He was loved. What he is and what happens to him mixed like blood in water.

The beautiful complexity of life's balance calmed and instilled the utmost confidence. As experiences - victory, loss, and everything in between were equal teachers. Tragedy and joy were arcade targets that could pop up at any time. Transition was as important as the beginning and the end. Choice and Consequence existed as conjoined twins. Going forward energized and did not paralyze. Imperfection was a work in progress, not a failure. No mad wasteful rush. The nascent, but measured steps of self-awareness were well underfoot.

He is ready. He knows.

*Louis - Congratulations and Good Luck as you continue forward in life's journey,*

## Election 2000

George W. Bush selects Dick Cheney, former Wyoming representative, and former secretary of defense as his vice-presidential running mate on the Republican ticket.

The 2000 presidential election was in many ways decided by not just the voters but the courts. Five weeks after election day, the US Supreme Court blocked Al Gore's request to have disputed Florida ballots recounted. George W. Bush and Dick Cheney won the election after being awarded Florida's 25 electoral votes.

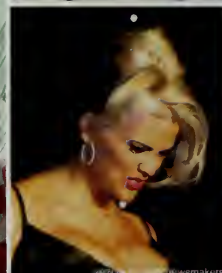

Antiquated voting methods in this age of technology threw the presidential election into turmoil. Punch card ballots, and the accompanying "Votomatic" system were first created in the 1960s. Disputed ballots had chads, or paper fragments hanging from the punch card that made it difficult for voting machines to read the ballots.
